Website Terms and Conditions

EASY PLATERS LIMITED | www.easyplaters.co.uk | 17 November 2026

1. Scope

These terms govern use of www.easyplaters.co.uk and its driver registration and introduction features. Easy Platers Limited, company number 17462147, is at 6a Phoenix Works, 500 King Street, Longton, Stoke-on-Trent, Staffordshire ST3 1EZ. Contact sales@easyplaters.co.uk.

2. Our role

Easy Platers screens and introduces prospective self-employed trade plate drivers to logistics companies. We do not employ or directly engage drivers to carry out assignments, allocate assignments under our own driving contracts or pay for completed assignments. Drivers and logistics companies separately agree any engagement.

3. Eligibility and registration

Applicants must be at least 18, hold an appropriate valid licence, be legally eligible for proposed work, provide accurate and current information and complete relevant checks. Engaging companies may impose additional requirements. Registration does not guarantee acceptance or an introduction.

4. Screening

We may review experience, licence categories, eligibility, qualifications, references or induction status as relevant and lawful. Applicants must provide truthful information and update material changes. Screening is based on information available at the time and does not replace checks an engaging company must undertake.

5. Self-employment and legal status

An introduction alone does not create employment or worker status with Easy Platers. Any subsequent status depends on the actual terms and working arrangements between the driver and engaging company, not merely a label. Nothing in these terms removes statutory rights.

6. Introductions and work

We may share appropriate profiles with prospective engaging companies in accordance with our privacy policy. We do not promise assignments, earnings, a minimum volume of work, acceptance or continued engagement. Logistics companies make their own engagement decisions.

7. Direct engagements

The driver and engaging company are responsible for agreeing assignments, rates, payment, invoicing, insurance, trade plates, expenses, vehicle handover, health and safety, cancellation and dispute procedures. Unless separately agreed in writing, Easy Platers is not a party to those contracts.

8. Driver conduct

Applicants and drivers must act honestly, maintain required licences and qualifications, comply with road traffic law, and follow lawful safety and operational requirements of the engaging company. They must promptly disclose changes relevant to eligibility.

9. Company responsibilities

Logistics companies must perform their own checks, establish lawful engagement terms, meet applicable insurance and trade plate obligations, provide appropriate instructions and comply with data protection and tax or employment-status obligations.

10. Accounts and acceptable use

Users must safeguard login credentials, not impersonate others, upload malicious content, scrape data without authorisation, compromise security or misuse personal information. We may restrict access reasonably where misuse, fraud or material inaccuracy is suspected.

11. Website and intellectual property

Website content, branding and software are owned by or licensed to Easy Platers. Use is permitted for legitimate enquiries and registrations, not unauthorised copying or commercial exploitation. Availability may be interrupted for maintenance or circumstances outside our reasonable control.

12. Privacy and communications

Personal information is processed under our Privacy Policy. Accepting these terms does not constitute blanket consent to marketing or other consent-based processing. Operational communications may continue as necessary for an active registration.

13. Suspension and closure

We may suspend or close registrations on reasonable grounds such as false information, failure to meet eligibility requirements, fraud, misuse or serious safety concerns, acting fairly and lawfully. Users may request closure. Lawful retention may continue after closure.

14. Complaints and liability

Contact sales@easyplaters.co.uk about our own services. Assignment and payment disputes ordinarily belong between the driver and engaging company. We exercise reasonable care and skill in our own services but do not guarantee third-party performance. Nothing excludes liability for death or personal injury caused by negligence, fraud or other liability that cannot legally be excluded, or affects mandatory statutory rights.

15. Changes and governing law

We may update these terms and notify users of material changes where appropriate. Accrued rights are unaffected. English and Welsh law applies, subject to mandatory legal protections and jurisdiction rights. Last updated: 17 November 2026.

Publication check: confirm actual cookie tools, screening workflows, lawful bases and retention schedule before publishing. This draft does not replace legal review.
